

# Bathroom Tuff Stain Remover

**Works on Toilet Bowls, Shower Stalls,  
and Food Service Equipment for  
Complete Removal of Hard Water Rust Stains**

---

## **GORILLA BATHROOM TUFF STAIN REMOVER**

pulverizes soap scum and hard water stains from lime, calcium and rust. It is safe and effective to use on toilet bowls, shower stalls, food service equipment, dishwashers, coffee makers, sinks, fixtures and even car wash interiors.

## **Directions:**

Squeeze a small amount of GORILLA BATHROOM TUFF STAIN REMOVER onto a sponge or cloth and rub on to the surface to be descaled. After the surface is clean, wipe with a wet cloth. Repeat the process if necessary. For use on smaller areas, spray directly on the stain and wipe clean.

## **Toilet bowl cleaning:**

Squeeze directly on the stain and agitate with a bowl swab.

*(May cause temporary throat irritation when sprayed in small areas.)*
