

# Garage Gorilla® Everyday Fuel Dispenser Cleaner/Bug Bucket Wash

**DUAL USE  
PRODUCT!**

Leaves filthy windshields sparkling without streaks.  
Gently cleans composite pump faces and touch screens.  
**ECONOMICAL - SAFE - EASY TO USE**

## Windshield Wash Reservoirs:

Empty packet into windshield wash reservoir. Add 2-4 gallons of water.

This power packed formula removes heavy road grime from windshields easily and completely. Its quick recovery foam stays active in the reservoir and provides long lasting cleaning action. Its odor eating microbes keep the reservoir solution smelling fresh and provide a pleasant customer experience.

## Everyday Fuel Dispenser Cleaning:

Empty packet into quart spray bottle. Fill with water, then gently shake. Spray and wipe fuel dispenser.

Specially formulated surfactants gently remove road grime from composite pump faces, branding decals, LCD displays and touch screens. It leaves the entire fuel dispenser sparkling clean without damaging chemical sensitive areas. Plus, it eliminates fuel odors.

**90 High-Powered  
Packets and  
1 Spray Bottle**
